

Iowa Bulletin: IA440-23-4

Date: December 21, 2022

Subject: PGM – Fiscal Year (FY) 2023 Financial Assistance Program Scenario Booklet

Purpose. To release the Iowa Fiscal Year (FY) 2023 Financial Assistance Program Scenario Booklet.

Expiration Date. September 30, 2023.

Explanation. This bulletin provides an update to all Iowa conservation planners regarding the name change and release of the FY2023 Financial Assistance Program Scenario Booklet.

- A. The Environmental Quality Incentives Program (EQIP) Booklet has been renamed to the Iowa FY2023 Financial Assistance Program Scenario Booklet and has been updated for use in planning and to serve as a reference for all financial assistance programs. The type of content within the booklet has not changed, only the name.
- B. Updates for FY23:
 - 1. Please note that pages iii-v summarize significant changes, i.e., practice and scenario additions, deletions, etc. You should thoroughly review these changes.
 - 2. The notes column of the summary will indicate whether a replacement scenario is available, is archived or is no longer available.
 - 3. You should review the numerous edits made to the Limitations section of the practice header pages.
- C. The Iowa FY2023 Financial Assistance Program Scenario Booklet is located on the Iowa SharePoint site under Programs\ [FAP Scenario Booklets](#) \FY2023.

Contact. If you have questions, please contact Sam Adams, Assistant State Conservationist for Programs, at (515) 323-2209 or at sam.adams@usda.gov.
