ECOLOGICAL SERVICE LIVESTOCK NETWORK

Get involved!

.....

Complete our needs assessment survey to shape our programming.

Do you raise or want to raise livestock for the purpose of achieving land management goals or for conservation? Please complete [this needs assessment survey](#) to help the Ecological Service Livestock Network coordinators learn how to best provide support and education. This survey will take about 5 minutes or less to complete.

Applicant Webinar [[View Recording](#)]: **June 26, 2024, 3:00 PM – 4:00 PM Eastern Time**

Full Proposal Due Date: **August 14, 2024, by 11:59 PM ET**

OVERVIEW

In partnership with the U.S. Department of Agriculture's Natural Resources Conservation Service (NRCS), U.S. Environmental Protection Agency (EPA), U.S. Fish and Wildlife Service (USFWS), the Great Lakes Restoration Initiative (GLRI), Cargill, Nestlé, The J.M. Smucker Co., and with additional support from the General Mills, Walmart and Sam's Club collaboration, the National Fish and Wildlife Foundation (NFWF) will award competitive grants to accelerate the voluntary adoption of regenerative agriculture principles and conservation practices on private working lands in priority geographic areas.
