

Notice of Prescribed Burn

What YOU Need to Know.

Details and Dates

USDA's Natural Resources Conservation Service (NRCS) in partnership with a private land owner will perform a prescribed burn on a site enrolled in the Wetlands Reserve Program in Linn County, Oregon.

The exact date and time of the burn(s) will depend on weather conditions, but the burn(s) will take place sometime between:

**September 15 -
October 31, 2026**

Easement Site

Burn Area: 290 acres

Location:

Approximately 3 miles north of West Stayton, OR and 2.5 miles northwest of Scio.

Private lands and public lands are adjacent to the burn area.

Expectations

The burn will be completed by professional prescribed burning teams and will be closely monitored by technical staff to ensure public safety.

Minimal smoke impact is expected.

Prescribed burning is an effective land management tool that provides multiple benefits to the land, including healthier soils, and improved habitat for wildlife.
